

WINTER MENU

Baby, it's cold outside! No matter, the pub is the best place to hide from short days and long nights, with good friends, good cheer and good food. Our fresh native fish, a magnificent pork chop from Jimmy Butler, a warming vegetable curry, or a sweet cherry bakewell (in tart or cocktail form) will all make winter recede for a while. Find a comfortable spot by the fire or near the bar and let us bring you the good stuff.

WE ALWAYS SERVE THE GOOD STUFF

Naturally, since it's what we want to eat and drink ourselves. We enjoy long relationships with our food and drink suppliers because we have always sought out producers who feel the same way. With thanks to some of our favourites.
